He has also worked as the chief financial officer for the global technical services business unit and the head of the global customer financing and treasury at Huawei Technologies, a Fortune 500 technology company in China from 2006 to 2008. Before returning to China, Mr. Zou served in progressive managerial roles in treasury, customer finance, strategic planning and eventually as global controller for the managed services business unit at Ericsson in the U.S. and Sweden. Mr. Zou received a Master’s degree in business administration from the University of Texas in the U.S. and a Bachelor’s degree in international business and economics from Shanghai International Studies University in China.
